

# DISABILITY SERVICES RALLY ALERT

Authorised by Chris Brown, State Secretary  
Health and Community Services Union

March 2009

HACSU is committed to keeping members informed of the latest updates and developments of this vital campaign.

## Disability Services Members Rally for Better Funding

Disability Services' desperate need for funding is now in the hands of the Tasmanian Government. The decision for increased funding will ultimately be made at the next State Government Cabinet meeting - HACSU needs to increase action and step up exposure of this vital campaign.

HACSU has organised a rally to correspond with the next meeting of Cabinet. The Cabinet meeting will take place on **30 March 2009**, at the **Executive Building at 15 Murray Street, Hobart**.

The rally will begin at **10:00am** and all Disability Services members are urged to attend. We must show the State Government that Disability Support Workers are angry at Government's continuing failure to fund the Disability Services Industry Wages Agreement.

Workers have waited far too long for the much needed improved wages and conditions - come along, show your support and make some noise!

**Where:** Executive Building,  
15 Murray St,  
Hobart 7000

**When:** 30 March, 2009  
10:00am
